## About Ashbourne

---

Ashbourne Swim Club is situated on 6 acres in north Wilmington near the Pennsylvania border. It is open Memorial Day through Labor Day.

It features a 25-meter main pool with a diving area, baby pool and a newly installed water slide. A large deck area with seating and picnic tables sits above the main pool, making it easy to supervise children and view swim meets. Grassy areas along with mature trees help provide cool shade.

Ashbourne has exceptionally large bathhouses, paved off-street parking, evening swimming, adult swims every hour and a concession stand. Our qualified, experienced guard staff, volunteer Board of Directors and pool members are happy to answer any questions you may have.
